

PARENT CIRCULAR

Dear Parents,

Each student is blessed with immense potential to excel. Today's competitive world demands new knowledge and abilities from students. **'Knowing the basics'**, is no longer enough. In the new age global economy, students will need to think critically, analyse and extrapolate.

OGO identifies **academic strengths and weaknesses**, promotes **learning by understanding** and helps students to develop the **competitive spirit**. OGO inspires students to achieve higher learning goals.
